Partnership's models for European projects:
If differences make the difference.

01:35 pm

The RIAC Model in the Project's countries
Each Partner 5 minutes

02:15 pm

Partners' Rooms*
Each partner invites his guests to join a national event in a
dedicated room (in national language with English translation)

03:00 pm

Coffee break ☕

03:10 pm

Plenary session about transferability and scalability

03:25 pm

Conclusions

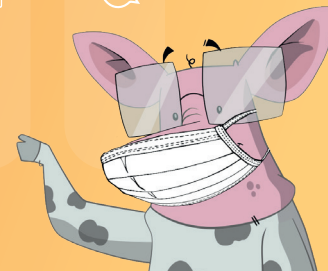

Film session: how to RIAC around Europe

Photo exhibition: Project's faces and stories

Chatbot: let's collect questions and ideas

* Partners' Room

Referring about the implementation of the project the partners expect to give room to the following aspects:

- **Esbjerg:** Motivation, matching, RIAC model and structure.
- **Alisei:** RIAC as job opportunity, research, teambuilding
- **Pro Arbeit:** Role as lead partner, project management, policy making at EU Level.
- **CIDIS:** soft skills, storytelling from participants
- **KIZ:** Approaching fast track integration of refugees through employer involvement
- **RUB:** Challenges to the labour market entry
- **HABITAT:** Networking, flexibility, values and methods, impact on local communities and more
